Sub:- Electricity – Effecting of temporary supply – Clarificatory instruction issued - Regarding.

Ref:- 1.Memo No. CE/Comml/SE/Comml/EE3/AEE2/ F.Plg.Per/D-139/2020,
dt. 04-07-2020
2.TNERC Notification No. TNERC/DC/8–28, dated 24.12.2020
3.SE-IT2 Email dated 09-02-2021

Many clarifications are being sought on effecting temporary supply as per the instructions issued vide reference (1) cited above. In this connection, it is to be noted that as per the above instruction the intending consumer shall not be insisted to produce Planning Permit and Completion Certificate for effecting electricity service connections for the exempted buildings.

2. Further, as per the Notification No. TNERC/DC/8–28, dated 24.12.2020 of the Hon'ble TNERC to the amendments made to the TNE Distribution Code, Planning Permission for the following cases shall be produced by the intending consumers at the time of submitting the application for Temporary Supply itself:

- i. When the total floor area of the building is 900 SQM and above or the demand exceeds 112 kW,
- ii. Where the total demand exceeds /would exceed 5 MVA or the total floor area of 30,000 square metre and above is constructed or proposed to be constructed (excluding the stilt floor / basement floor),
- iii. In case of HT supply.

3. Under these circumstances, the following instructions are issued:

(i) Planning Permission for the following cases only shall be obtained at the time of availing Temporary Supply as per the Form-1A of the TNE Distribution Code:

- a) When the total floor area of the building is 900 SQM and above or the demand exceeds 112 kW,
- b) Where the total demand exceeds /would exceed 5 MVA or the total floor area of 30,000 square metre and above is constructed or proposed to be constructed (excluding the stilt floor / basement floor),
- c) In case of HT supply (other than exempted categories).

(ii) Once the construction of the building is completed, the Temporary Supply effected to the exempted category may be converted to the appropriate tariff.

(iii) In case of non- exempted category, as instructed already vide reference (1) cited, the temporary service connection provided for construction purpose has to be disconnected and the permanent electricity service connection(s) shall be provided on receipt of the completion certificate.

The above instruction may be followed scrupulously. Any lapses in this regard shall be viewed seriously and action as deemed fit will be taken against the erring officials.
